Reviewer & Editorial experience

I am Associate Editor for Research Synthesis Methods, Statistical Consulting Editor for Child Development, and have reviewed 52 journal articles, 34 conference abstracts, and 4 grant applications.

Teaching

My teaching is well-reviewed and in 2021 I received the Teacher of the Year award from the Usocia student association. Since my first teaching appointment in 2006, I have taught 58 courses, to students from diverse backgrounds ranging from high-school to post-graduate (e.g., summer schools, pre-conference workshops). I have lectured in 40 courses, taught tutorials in 29, coordinated 15, and developed the material for 10 courses. I have supervised 42 Bachelor, 32 Master, and 3 PhD students.
